

Beyond Disability Inc

A non-profit volunteer team to help get the housebound physically mobility disabled interactively connected with their community on the Mornington Peninsula and incorporating "Rural & Peninsula Disability Support", "Housebound & Elderly Disabled Online / Elderly Citizens Online" for the over 50s mobility disabled & "Wheelie Kidz IT" for wheelchair school children.

BDI can only help people solely with a physical mobility disability.

BDI has given an undertaking to Dept of Communications Information Technology & the Arts to obtain references from all volunteers who may go into elderly disabled homes. Also Anglicare who help fund us require police checks (form available [here](#)) at BDI cost on all people doing home visits and I agree to this check and my referees being contacted. I agree to return any BDI equipment & materials within 24 hours of resigning or leaving for any other reason.

I agree that any information I may prepare for BDI will belong to BDI, and I forgo any copyright thereon and agree to be bound by the rules and constitution of Beyond Disability Inc. - available on request. Constitution is standard non-profit constitution.
